Street Address _____

Please confirm the following: (Please check all that apply)

- I received 24 months of energy consumption data for my home
- I used at least one of the following service tools to learn about energy efficiency measures that could be installed at my home:
 - www.gosolarcalifornia.ca.gov (Go Solar California website)
 - www.aceee.org (American Council for an Energy Efficient Economy website)
 - www.energystar.gov (Energy Star website)
 - hes.lbl.gov (Home Energy Saver website)
- I am aware of the current Colton Electric Utility energy efficiency rebates available to me.

I had an energy audit completed on my home that identified cost effective energy efficiency improvements and estimated energy savings

- Yes (*Please attach a copy of the audit report*) Audit Company Name _____
- No (*A home energy audit is a requirement to be able to receive a rebate*)

Based on the audit findings, I have installed the following measures on my home:

Based on the audit findings, I intend to install the following measures on my home:
