The City recognizes the Association as the recognized bargaining agent for the following classifications:

Fire Battalion Chief
Fire Engineer
Firefighter
Firefighter Medic
Fire Captain
Fire Marshal

Section 2: Management Rights

It is understood and agreed that the City retains all of its powers and authority to direct, manage, and control to the full extent of the law. Included in, but not limited, to those duties and powers are the rights to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the level, means, and kinds of services to be provided; establish its policies, goals, and objectives; determine staffing patterns; determine the number and kinds of personnel required; contract out work, transfer work out of the unit, maintain the efficiency of City operations, build, move, or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue and take action on any matter in the event of an emergency. Emergency is a sudden, generally unexpected, occurrence or occasion requiring immediate action which affects City facilities or equipment or otherwise involves an Act of God or specific governmental order requiring the City to take certain action or refrain from taking certain action. In addition, the City retains the right to hire, classify, assign, evaluate, promote, discipline and terminate employees.

Prior to implementing any decision to contract out, the City shall notify and negotiate, upon request, the effect of such decision on the terms and conditions of employment of Unit members to the extent such effects are negotiable.

Section 3: Association Rights

It is agreed that the Association shall have access to use of City facilities for the conduct of general membership, Board and Committee meetings. The Association agrees that meetings shall not cause undue disruption of City business by either frequency or duration. The Association shall notify the Fire Chief or his designated representative prior to Association meetings utilizing City facilities.

Two members of the negotiating team shall be allowed reasonable time off with pay for all meetings for meeting and conferring which shall be mutually set by the City and the Association. Additional employees of the negotiating team, with the approval of the Fire Chief, or his designated representative, may be allowed time off with pay for meeting and conferring.

On June 1st and January 1st of each fiscal year, an employee may voluntarily designate any portion of his/her accrued vacation or holiday time to be transferred to a separate account to be used for

Association business. This notification shall be in writing and is irrevocable. The use of such time is at the sole discretion of the Association. Scheduling such time off is subject to the same restrictions currently in effect for scheduling vacation and holiday time off. Any time left in the account as of June 30th of each year shall be carried over to the following year.

Section 4: Grievance Procedure

I. STATEMENT OF PURPOSE

The purpose and objectives of the grievance procedure are to:

- A. Assure fair and equitable treatment of all employees and to promote harmonious relations among employees and their supervisors.
- B. Afford employees a written and simple means of obtaining consideration of their grievance by informal means at supervisory level and review of the supervisor's decisions.
- C. Resolve grievances as quickly as possible and to correct, if possible, the causes of grievances, thereby reducing the number of grievances and future similar complaints.

II. DEFINITIONS

- A. Day - A work day unless otherwise stated. A workday is a day on which City Hall is open for business for its full normal working hours.
- B. Grievant - Any employee in the Fire Unit, except those persons elected by popular vote. An Association may file a grievance on behalf of itself or its members.
- C. Grievance - An alleged violation or non-compliance with the provisions of this MOU, any supplemental MOU, City of Colton's written or unwritten personnel rules and regulations, departmental rules and regulations, and other policies and practices.
- D. Representative - A person who, at the request of the employee or supervisor, is invited to participate in the grievance or conferences.
- E. Immediate Supervisor - The person having evaluation responsibility for the Grievant.
- F. Class Grievance –
 1. Each employee must submit his or her grievance in writing. Individual grievances may be treated as a single grievance or as a class at the discretion of the parties.

2. Resolution of a class grievance may not be consistent among all grievants in the class grievance due to differences in circumstances or occurrences, which brought about the grievance.
 3. Any grievant unsatisfied with the decision at any procedural step shall retain their individual right to appeal to the next step in the grievance procedure.
- G. Answer - An answer is the response to the grievance at any of Steps A-F in Part III. All answers must be written. If an answer does not resolve the grievance to the grievant's satisfaction, the answer will inform the grievant of the next step in the grievance procedure, and the time deadline for processing.

III. PROCEDURE

- A. Informal Resolution - Within ten days after a grievant knew, or by reasonable diligence should have known, of the condition upon which a grievance may be based, the grievant shall attempt to resolve it by an informal conference with the grievant's immediate supervisor. This step will be deemed waived if the immediate supervisor, or the immediate supervisor's action, is the subject of the grievance.

Every effort shall be made to resolve a grievance through discussion between the employee and the employee's immediate supervisor. It is the spirit and intent of this procedure that all grievances are settled quietly and fairly without any subsequent discrimination against employees who may seek to adjust a grievance. Every effort shall be made to find an acceptable solution at the lowest level of supervision.

The supervisor will answer the grievance, in writing, within ten days of presentation by the employee.

- B. If the problem cannot be resolved between the employee and the immediate supervisor, the employee may, within ten days from the date of receiving the written answer from his or her supervisor, request an interview with the division head, if one exists, in order to discuss the grievance. The meeting with the division head will be held within ten days of the employee submitting the request for the meeting.

The division head will answer within ten days of meeting with the grievant(s).

- C. If the division head and the employee cannot reach a solution to the grievance, the employee may, within ten days from the date of receiving the answer from the division head, request in writing and be granted an interview with the Fire Chief. The interview will be scheduled within ten days of the employee submitting the request.

The Fire Chief shall render an answer within ten days of meeting with the grievant.

- D. If the Fire Chief and employee are unable to arrive at a satisfactory solution, the employee may, within ten days from the date of the decision by the Fire Chief, submit a written appeal to the City Manager. The City Manager shall schedule a

meeting with the grievant within ten days of receiving the appeal. The City Manager shall meet with the grievant and review the grievance and shall answer within ten days of discussing the grievance.

- E. If the grievant is not satisfied with the decision of the City Manager, the grievant may, within ten days from the date of receiving the decision of the City Manager submit a written request to the City Manager for the grievance to be heard by an arbitrator/hearing officer.

If the parties are unable to mutually select an arbitrator, the State Mediation and Conciliation Service shall be requested to submit a list of seven persons qualified to act as arbitrators. Within ten days following receipt of the list of arbitrators, the parties shall select an arbitrator. The parties shall alternately strike one name from the list until one name remains. The right to strike the first name is determined by lot.

Each party shall bear equally the cost of the fees and expenses of the arbitrator and court reporter, if any. Each party shall bear its own witness and attorney fees.

The arbitrator/hearing officer shall render a decision in writing within 30 days of the close of the hearing or of his/her receipt of closing briefs, whichever is later.

- F. Findings of Fact and Remedies - An arbitrator may sustain, modify, or rescind an appealed disciplinary action as follows and subject to the following restrictions:

1. All Disciplinary Actions: If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.
2. Suspension/Reductions in Class or Salary - If the action is modified or rescinded, the appellant shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision. However, the action may not be modified so as to increase the penalty imposed by the Department.
3. Discharge - If the arbitrator finds that the order of discharge should be modified to another form of discipline, the appellant shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the appellant was removed from duty, as determined by the arbitrator.
 - a. If the arbitrator finds that the order of discharge should be rescinded and no discipline imposed, the appellant shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.
4. Restriction on Remedies
 - a. The City shall not be liable for restoring pay and fringe benefits for any period(s) of time the appellant was reduced or removed from duty, which

results from the appealing party's request for written briefs and/or a transcript of the arbitration proceedings.

- b. Restoration of pay and benefits shall be subject to deduction of all unemployment insurance payments received. Outside earnings received since the date of discharge but which appellant would not likely have earned but for the discharge shall also be deducted.

G. General Provisions

1. Grievance/Appeal hearings by an arbitrator shall be private.
2. Demand for Exchange of Evidence - Upon written request by either of the opposing parties in a pending hearing given at least 20 calendar days prior to the scheduled hearing date, each party shall supply to the party copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than five calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies, but not soon enough to comply with the above time limits, may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.
3. An employee shall not suffer loss of pay from their City position for time spent as a witness at an arbitration hearing held pursuant to this procedure during that employee's regular work hours (City ordered). The number of witnesses requested to attend, and their scheduling, shall be reasonable.
4. At the hearing, both the appealing employee and the City shall have the right to be heard and to present evidence. The following rules shall apply:
 - a. Oral evidence shall be taken only on oath or affirmation.
 - b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify, and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.
5. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory

rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.

- H. The decision by the arbitrator/hearing officer is final and binding and is not subject to any administrative or judicial review except pursuant to the Code of Civil Procedure Section 1286.2.

IV. REPRESENTATION

- A. An employee may request representation of his or her choice at any stage of the grievance procedure.
- B. The grievant and designated representative shall receive release time for the purpose of representing the grievant at any step. For purposes of this section, representation includes reasonable preparation and consultation.
- C. The only limit on the grievant's representation is that there may be only one other person from the bargaining unit on paid status. Representation shall not inordinately interfere with the normal course of City business.
- D. Self Representation:
 1. In the event a grievant elects to exercise the right to self representation, and objects to the attendance of an Association Steward and/or Business Representative, such individuals shall be excluded; provided, however, representatives of the Association will have certain rights of access to the records of the grievance proceeding. This right of access is provided in recognition of the Association's interest in effective representation of its members.
 2. Accordingly, the City of Colton shall provide the Association access to (1) information concerning the nature of the grievance; (2) any procedures utilized during the course of the grievance proceeding; (3) the results of the grievance proceeding, including any discipline imposed.
 3. However, in order to recognize the personal privacy interests of employees, the City shall delete from the grievance record (1) the name of the employee filing the grievance; (2) the employee's social security number, address, telephone number, and; (3) any other personal information protected under rights of privacy.

V. TIME LIMITS

- A. Failure by a grievant to meet a deadline set in this procedure shall terminate the grievance, and the grievant shall not have a right to refile on the same set of facts, unless good cause is shown for the delay, or if the City waives the deadline.
- B. Failure by the City to meet a deadline shall give the grievant the right to proceed to the next step.
- C. Time limits in this procedure may be extended by mutual written agreement between the parties.

Section 5: Payroll Deductions

The City agrees to deduct dues and assessments in an amount certified to be correct by the Secretary/Treasurer of the Association and/or the elected Association representative, from the pay of those employees who individually request, in writing, that such deductions be made in accordance with the terms and conditions of said request, the first two pay periods each month. When there are three pay periods in a month, dues and assessments shall be deducted only twice in that month. The City shall forward the total amount of dues deducted to the Treasurer of the Association.

The procedures required for the payroll deduction of dues and assessments shall be subject to the policies of the Finance Department and other affected departments of the City. The Association shall indemnify and hold the City harmless from any and all claims, demands or suits, or any other action arising from the deduction of dues and assessments.

C. EARLY RELIEF

The practice of early shift relief shall be voluntary on behalf of each employee involved in the relief. The employee providing the early relief shall not have his/her compensable hours increased as a result of the early relief; nor shall the employee relieved early have his/her compensable hours decreased as a result of the early relief. "Paybacks" of early relief hours are the sole obligation of the two employees involved in the early relief. Any dispute is to be resolved by the involved employees, and under no circumstances will the department be obligated for any further compensation whatsoever to any of the involved employees. The department is not responsible in any manner for hours owed to employees by other employees that leave the employment of the City or are assigned other duties.

D. TRAINING TIME

Training time outside normally scheduled work hours shall be compensated pursuant to Code of Federal Regulations.

This provision also applies in those situations where the radio must be left on and monitored.

City vehicles are an extension of City buildings. There is no smoking allowed in City buildings, or in City-owned vehicles (R-10-93 and AB846). The employee is also required to wear a seat belt when driving and/or riding in City-owned vehicles.

F. NON-EMERGENCY CALL BACK PAY

Call back duty occurs when an employee is ordered to return to duty on a non-regularly scheduled work shift. Call back does not occur when an employee is held over from his/her prior shift or asked to come in two hours or less prior to his/her regularly scheduled shift to perform non-emergency tasks. An employee called back to duty shall be paid a minimum of two hours at time and one-half the 56-hour rate, in addition to payment for the actual hours worked. Travel time shall not be considered hours worked and shall not be compensated in any manner whatsoever.

G. OVERTIME AUTHORIZATION

All overtime requests must have the authorization of a supervisor prior to the commencement of such overtime work. Where prior written authorization is not feasible, explicit verbal authorization must be obtained. Calls for service beyond the end of duty time are considered as authorized. An employee's failure to obtain prior approval may result in the denial of the overtime request.

H. CLOTHES CHANGING

Employees are not authorized to wear their uniforms or any part thereof that is distinguishable as such, unless on duty. Each employee is provided with a locker for his/her own personal convenience. An employee may or may not utilize the locker for storage and changing purposes at his/her own discretion.

Time spent in changing clothes before or after a shift is not considered hours worked and is not compensable in any manner whatsoever.

I. SHIFT TRADES

This practice of shift trading shall be voluntary on behalf of each employee involved in the trade. The trade must be due to the employee's desire or need to attend to a personal matter and not due to the department's operations. The employee providing the trade shall not have his/her compensable hours increased as a result of the trade; nor shall the employee receiving the trade have his/her compensable hours decreased as a result of the trade. Any premium pay or other extra compensation will be waived for both individuals during the period they work for the other.

Any hours worked beyond the normal workday will be credited to the individual actually doing the work.

"Paybacks" of shift trades are the obligation of the two employees involved in the trade. Any dispute as to paybacks is to be resolved by the involved employees, and under no circumstances will the department be obligated for any further compensation whatsoever to any of the involved employees. The department is not responsible in any manner for hours owed to employees by other employees that leave the employment of the City or are assigned other duties.

A record of all initial shift trades and "paybacks" shall be maintained by the involved employees on forms provided by the department ("Shift Trade Log").

If one individual fails to appear for the other (regardless of the reason), the person who "traded in" will be listed as absent without leave and may be subject to disciplinary action.

There shall be no limit on shift trading unless the department has mandatory training scheduled. In that event, the department shall provide a minimum of one week's notice prior to the scheduled training, informing employees that shift trading for those day(s) is not allowed, unless otherwise approved at the Department.

J. COURT PAY

When an employee is physically called to court, while off duty, he/she shall be credited on an hour-for-hour basis for the time actually spent in court. Travel time shall not be considered hours worked and shall not be compensated in any manner whatsoever.

K. A.M. WORKOUT

The period between 0830 and 1000 hours shall be allotted to the employee each day for optional physical training (PT) provided no department, station or joint agency training is scheduled for that period and provided that no department activity, demonstration or community activity has been scheduled during that period. This period of 1 1/2 hours shall be used by the employee for PT and shall include the morning break period. The employee shall be in uniform and ready for scheduled activities at 1000 hours. However, should the PT period be interrupted by an

emergency, or other activity the allotted time will continue upon return, until such time as the 1 1/2 hours has been completed.

The employee shall be allowed to report to work in appropriate PT clothing unless there are scheduled activities, which would require the employee to report in uniform.

The PT period may be declined, at the option of an employee. The employee shall then be responsible for duties as designated by his supervisor.

L. FIRE MARSHAL

The Fire Marshal, in lieu of receiving overtime, will continue to receive 80 hours of administrative leave per fiscal year.

The Human Resources Department and Fire Association will meet and confer to discuss changing the job description of the Fire Marshal. Said changes will not affect the incumbent.

Section 4: Acting Out of Class Pay

Employees assigned to perform essentially the full range of duties allocated to a position in a higher classification shall receive acting pay in accordance with the following conditions and requirements:

- A. The work assumed must be that of a budgeted position and performed in the absence of the regular incumbent.
- B. The content of the position or work assumed must be fully and totally the same as performed by the regular incumbent.
- C. Credit shall not be given for any acting capacity work, which is referenced in a class specification as being appropriate to the employee's regular position.
- D. Any Fire employee assigned to work in a higher classification for a period of four shifts or more, for shift personnel, or for a 15-day period for non-shift personnel, shall receive additional compensation from the first day of said assignment.
- E. Acting capacity work must be approved by the City Manager.
- F. The determination of whether particular duties are subject to compensation at a higher rate of pay lies exclusively with the City of Colton. Employees who qualify for acting pay shall receive the equivalent of one pay range additional pay or the first step of the salary range assigned the position being filled, whichever is higher, except that in no case will an employee be compensated at higher than the "E" step of the acting classification.

Section 5: Longevity Pay

Effective July 1, 2004, the Association agrees to eliminate longevity pay and add two percent (2%) to the salary of all Firefighters Association members.

Section 6: Bilingual Pay

The City agrees to pay \$100 per month \$50 to be paid on the first two pay periods of the month) to employees who successfully complete a bilingual examination and who have been recommended by the Fire Chief and approved by the City Manager.

When the skill is no longer needed or the employee is not required to use it or ceases to possess it, the Fire Chief shall terminate the bilingual compensation by written notice to the Human Resources Manager/Director. The Fire Chief may also terminate the bilingual compensation if he/she makes a like determination, and shall notify the Fire Chief. In either case, the Fire Chief shall notify the employee. The bilingual pay is tied to the classification rather than the individual employee and will terminate if the employee moves to a new classification.

Section 7: Training Captain Incentive

A Fire Captain assigned to train a probationary employee, will receive \$200 per month, or a pro-rate thereof.

Section 8: Special Certification Pay

Effective October 1, 2005, each affected employee shall receive the following monthly amounts if he/she possesses the requisite certificates:

Firefighter II	1.5%
Company Fire Officer	2%
Chief Officer	2.5%
Executive Fire Officer	3.0%

The above certification pay is non-cumulative.

ARTICLE III: FRINGE BENEFITS

Section 1: Cafeteria Plan

The City will provide employees those health insurance plans available under the Public Employees' Medical and Hospital Care Act in place of the current health insurance plans under the Cafeteria Plan.

Effective January 1, 2005 the City will offer the Fire Association members a \$990 monthly allowance for the employee's choice of medical, optical, and/or dental insurance. In addition, supplemental insurance opportunities will be provided in order for employees to purchase supplemental medical insurance and childcare coverage through pre-tax dollars. The City will continue to offer the same monthly allowance as it does to the employees participating in the cafeteria plan.

In those instances where the employee's medical insurance premium is less than the City's monthly contribution, the difference between said cafeteria dollar amounts shall be provided in the form of a bi-monthly cash disbursement (payable 24 times per fiscal year). Cash disbursement to the employee is subject to tax, pursuant to the tax codes.

Section 2: Retirees' Health Insurance Participation

Members of the Fire Unit who retire (service or disability) from the City employ may, at the retiree's discretion, enroll in the City-provided health insurance plan of the employee's choice.

Employees who have served a minimum of 20 years with the City shall have their premiums paid for themselves and their spouse by the City up to Medicare age. Retirees now eligible for City-paid medical insurance coverage who enroll in a medical plan other than those offered by the City of Colton shall be reimbursed by the City for such costs up to the maximum allowable after submitting proof of such coverage and payment of each month's premiums. After the retiree reaches Medicare age, he/she can maintain health insurance with the City, but the retiree must pay his/her own premiums. If the retiree is ineligible for Medicare benefits, the City will continue to pay the premiums, as long as the employee and spouse remain insurable. For all other employees, all premiums required by their participation in such health insurance plan shall be paid by them. Participation in any health insurance plan is contingent upon the health insurance carrier approving the enrollment of a retired employee.

The Retiree's Health Insurance Participation benefits will be retroactive to include James Barth, Daniel Servin, and David Pettey.

Section 3: Retirement

1. Each employee shall pay the full 9% employee/member portion of the required retirement contributions effective July 1, 2011.
2. Upon ratification of this agreement the City will amend its contract with the Public Employees Retirement System (PERS) to implement a 3% at 55 retirement formula as part of a two-tier system.

Until the call back arrives at the designated station, the employee of the required rank at the station must remain on duty.

Recall Of The Force Hire

When an employee other than the potential force hire employee accepts an assignment the "In the Bucket" employee must be recalled to let him/her know they are no longer subject to call back.

If assigned overtime either by scheduled overtime, staffing pool or force hired, an employee will always have the option of giving the overtime to another person of equal. The assigned employee should ask a Captain to remove his/her name from the assigned shift and outbound the created vacancy. The assigned employee is still responsible to work the shift until it is accepted by another employee. It is the sole responsibility of the assigned employee to assure that the shift has been filed.

E. Scheduled Staffing

Personnel will be able to sign up for the next month by the 15th of the previous month. (Example: To schedule overtime staffing for planned vacations for April, personnel will have to sign up for overtime by the 15th of March.)

Personnel will be chosen for overtime on each day by number of previously scheduled overtime staffing hours.

Procedure:

- a. Personnel will access Telestaff via Fire Department of Home computer system. Personnel will highlight the days in which they are available to work and choose the work code "scheduled staffing: on their telestaff calendar.
- b. Telestaff will assign personnel to the vacant shifts by the 20th of each month for the upcoming month. Personnel can check their Telestaff calendar for assignments.
- c. Once a person has been assigned a shift he/she is responsible to work that shift. If for some reason a person cannot work an assigned shift he/she will be responsible for filing the shift via the process described previously
- d. Once the scheduled overtime has been assigned to a person, it is logged into Telestaff.
- e. Personnel are assigned staffing assignments based on the number of hours logged in Telestaff. If two or more personnel have the same number of hours, the overtime will be given to the most senior person.
- f. Unless otherwise indicated by an employee, no employee will be given more than 2 partial overtimes during the monthly staffing scheduling.

F. Manpower Pool

Personnel who wish to work overtime on a short notice basis may sign up in Telestaff using the "manpower pool" work code.

G. Hours Tracking

When a person is assigned an overtime under Scheduled staffing, Staffing Pool, or Force hired, his/her hours will be recorded at the time of the assignment, not after the employee has worked it.

Section 4: No Smoking Policy

All indoor areas of the fire stations shall be designated as NO SMOKING AREAS. Smoking will only be permitted outdoors and in compliance with the Colton Fire Department rules and regulations, R-10-93 and AB846. All fire department entrances will be posted with NO SMOKING signs.

No new employee shall be hired until all laid-off employees have been given ample opportunity to return to work.

In case of demotion, due to personnel reduction, the employee with the least seniority in rank shall be demoted first regardless of total department seniority. Employees shall be reinstated by order of their seniority from the rank from which they were demoted and shall not be subject to any new testing procedures. Demoted employees shall be given ample opportunity to obtain any certifications and meet new job requirements needed in their reclassification. No new promotions shall be made in the affected ranks until demoted employees have been given the opportunity to be reinstated to their previous positions.

SECTION 8: Wellness Program

Workplace wellness programs are recognized for their value in improving health and well-being of their employees. Investing in a citywide wellness program is recognized by management as a way to improve overall employee morale as well as reduce employee turnover and overall health care costs.

The goal of the City's wellness program is to bring awareness of the possible unhealthy habits and lifestyles of City employees, and most importantly to promote healthier behaviors.

By executing a workplace wellness program in the City of Colton, the city's intent is to create a more energetic, positive and productive workplace that provides meaningful gains for the overall health of the city.

The Wellness program is voluntary and each employee will coordinate a wellness screening, which will include a physical. In addition to the annual physical, the wellness program may include any of the programs mentioned below; coordination with the employees own physician or health plan is required. The information received by Human Resources will adhere to the Health Insurance Portability and Accountability Act language (i.e., the HR office will receive only the patient's name and a doctor's note stating that the employee did complete the physical).
