REBATE QUALIFICATIONS

- **A/C Unit must be 5 tons or less.**
- **Customer MUST have an active residential account**
- **One Tune Up per A/C unit, per year. (up to 2 units per home)**

Minimum Checklist requirements:

Inspect and clean Condenser and Evaporator coils, Lubricate fan motor and blower motor (if needed), check operating pressure, inspect for leaks, and clean condensation line. Test capacitor and relay. Check all electrical connections and wiring, verify correct voltage and amperage. Clean or replace filter. Verify thermostat is operating properly. Test for proper airflow.

TERMS AND CONDITIONS

ELIGIBILITY

- I understand that I must be a Colton Electric Utility customer and I must have an active residential Colton Electric Account.
- If I am a tenant, I am responsible for obtaining the property owner's permission to have a tune up completed on the A/C unit. My signature on this application indicates that I have obtained this permission
- Rebates are on a first come first serve basis, the program will end when all approved funding has been spent.

APPLICATION

- This signed and dated application, copies of sales receipt and Tune up checklist must be sent to Colton Electric Utility postmarked no later than four months from the date of tune up
- I am responsible for filling out the application completely, truthfully and accurately.
- I understand that Colton Electric Utility is not responsible for items lost or destroyed in the mail/transit.

PAYMENT

- Payment of the rebate is conditional that all supporting documentation be submitted with the application. Delays in proper documentation will delay the rebate delivery.
- The rebate check for approved A/C Tune Ups will be mailed within six weeks of receiving completed application and all supporting documentation.
