Joint Recruitment to establish an eligibility list for:

Firefighter Paramedic

City of Loma Linda & City of Colton

Closing Date- Continuous

* Recruitment may close at any time once sufficient qualified applications are received

Salary

Loma Linda - \$5,724.33-\$7,492.96 monthly

Colton - \$6,024.44-\$7,322.75 monthly

THE DEPARTMENTS

LOMA LINDA - The Fire Department responds to emergency incidents, including fires of all types, medical emergencies, rescues and other wide-ranging requests for service from two fire stations housing the full spectrum of fire/emergency response apparatus. The stations are staffed 24-hours per day with multiple companies. Advanced Life Support is provided by a combination of engine, truck company and medic squad-based paramedic services. In addition to staffing both stations 24 hours, the department deploys an additional paramedic engine during peak hours to meet the service demands driven by a daily influx of employees, visitor and commercial traffic to the City's large institutions. The department is also responsible for fire prevention education, disaster preparedness planning, and parking control.

COLTON - The City of Colton is offering an excellent opportunity to join a progressive Fire Department that has a strong Fire Union/Fire Chief working relationship and encourages an outstanding working environment. The department is constantly staffed, with 13 personnel on duty each day. The Department is also very active in the state wide mutual aid system with both a type three, wild land engine and OES type one engine. The department encourages members participation in department committees in such areas as EMS, Rescue, Training and in Apparatus/Equipment.

THE POSITION

Under the general supervision of the Fire Captain, perform the full array of duties assigned to the Firefighter Paramedic class including responding to all calls for life support, fire suppression and fire prevention; demonstrate a full understanding of all applicable policies, procedures and work methods associated with assigned duties; occasionally assist in the training of lower level Firefighter positions; perform a variety of other tasks in support of assigned area of responsibility.

QUALIFICATIONS GUIDELINES

Any combination of education and experience that has provided the knowledge, skills and abilities necessary for a **Firefighter Medic**. A typical way of obtaining the required qualifications is to possess the equivalent of a high school diploma, a valid California driver's license and a satisfactory driving record. Possession of valid EMT-P, ACLS and CPR Certifications at the time of application and a current American Heart Association BLS & ACLS Certifications are required. In order to be considered lateral candidate, applicants must currently be employed with a city, district, state or federal fire agency serving in the capacity of firefighter or firefighter/paramedic for a minimum of 24 months.

HIGHLY DESIRABLE CANDIDATES

- 1) Will have completed a state approved Fire Academy and be in possession of a CSFM FF1 certificate.
- 2) Will possess a valid California Driver License with a Firefighter Endorsement.
- 3) Lateral candidates encouraged to apply and will possibly have salary adjusted to level of experience.

EQUAL OPPORTUNITY EMPLOYER

The City of Loma Linda encourages applications of bilingual persons, women, minorities and persons with disabilities.

SELECTION PROCESS

- ◆ Application packages will be evaluated and those candidates whose qualifications best meet the Cities needs will be invited to continue in the selection process.
- ◆ Pursuant to the Immigration Reform and Control Act (IRCA) of 1986, all new hires will be required to show proof of legal residence entitling them to work in the United States prior to hire.

The Recruitment/ Examination process will include (but it is not limited to):

- ◆ City Employment Application with certification attachments
- ◆ Paramedic Skills Assessment Center
- ◆ Captain's Oral Interview - For resumes, please prepare three (3) copies.
- ◆ Background Check
- ◆ Fingerprinting
- ◆ Psychological Evaluation
- ◆ Medical Examination, including drug screening
- ◆ Chief's Oral Interview

THE IDEAL CANDIDATE

◆ The ideal candidate for this position will possess knowledge, skills and abilities in the following areas: human anatomy and physiology; pharmacology; physics; paramedic protocol ; and cardiopulmonary resuscitation; complex principles, practices and procedures of modern fire fighting and rescue and the operation and general maintenance of fire fighting vehicles, equipment and apparatus; purposes and used of a variety of vehicle, equipment, tools and apparatus used in fire fighting, rescue, and medical assistance operations; applicable Federal, State and local laws, codes and regulations; occupational hazards and standard safety practices; communicate effectively, both orally and in writing, methods and techniques for record keeping; and proper English, spelling and grammar.

◆ Demonstrated physical endurance, agility, strength, and stamina in the performance of hazardous tasks under emergency conditions. Think and act quickly with good judgement in emergency situations. Apply applicable laws, codes and regulations. Work a variety of shifts including weekends, holidays, and emergency call-back, when off duty. Operate an office computer and applicable software. Understand and follow oral directions promptly and accurately. Work independently. Establish and maintain effective working relationships. Operate and use equipment for firefighting, rescue, and medial assistance operations. Perform advanced first aid and CPR.

- 1) Will have completed a state approved Fire Academy and be in possession of a CSFM FF1 certificate.
- 2) Will possess a valid California Driver License with a Firefighter Endorsement.
- 3) Lateral candidates encouraged to apply and will possibly have salary adjusted to level of experience.
